Discussion Forum:

- Entering name and comment. ✓
- “Reset” and “Quizboard” buttons work fine , reset will clear the values in the input field, and quizboard takes you to the quizboard. ✓
- Success message when comment is posted successfully. Works fine as shown below. ✓

A screenshot of a web form titled "Share your thoughts!" on a light purple background. The form contains two input fields: "Enter Name" and "Enter Comment". Below the input fields, a blue message states "Comment posted Successfully.". At the bottom, there are three black buttons with white text: "Post Comment", "Reset", and "Quizboard".

- Main Comments displaying in the correct format. Works fine and the main comments made are displayed to the right of the input form displayed as a purple panel. ✓
