What do we do?

On our website we provide students with educational resources such as quizzes , articles, video guides and chat room.

Question 1/10   Score
0

Who is the founder of Palantir?
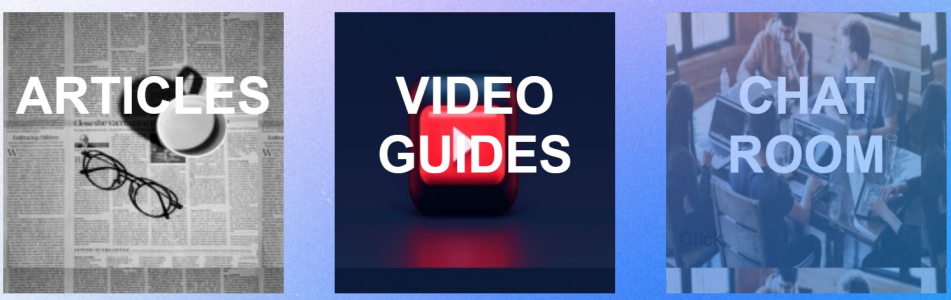

A	Peter Thiel
B	Mark Zuckerberg
C	Marc Benioff
D	Jack Dorsey

Quizzes

The quizzes tests a person's knowledge or understanding of general computing questions.

Quizzes are used as a learning tool to assess a person's level of understanding and track their development.

There are 3 levels; easy, medium and hard.
